

Mrs. Owens's Cool Cowhands

Weekly Newsletter

August 25, 2025

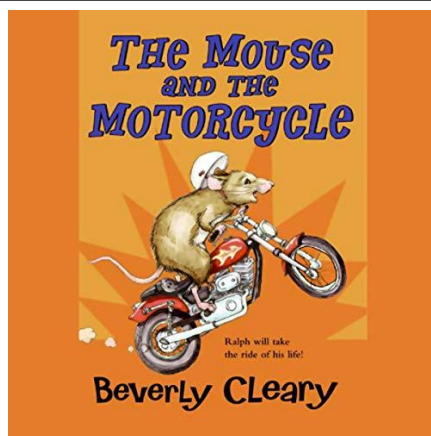

Volume 1, Issue 2

- Eagle PASS Meeting – Aug. 28 @ 6:00 PM
- Labor Day Holiday – Sept. 1st
- Picture Day – Sept. 4
- HS Football – Sept. 5
- 5-Week Grade Check – Sept. 18

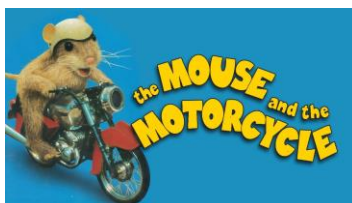

PLEASE NOTE: Sometimes Class DoJo does not alert my phone that a message has been sent, and unless I have time to sit down and check it, I may not see your message until after school. If you send a transportation message and I don't respond immediately, please CALL THE OFFICE and make an official transportation change. They will bring me a written form showing the change and your child will get home safe and secure. 😊

Literacy Night was a huge success, and we are now beginning our reading challenge as a school! If you were unable to attend on Friday, the oldest child in the family will receive a copy of the book from the school and the calendar that goes along with it. This is such a fun read, and I know your family will enjoy reading it together.

Be prepared each morning by reading what's assigned and maybe we will answer the trivia question first and WIN!

Third grade utilizes a computer program for spelling tests. It's called Power Spelling, and your child can access it at home to practice if you have internet and a device.

Students don't all work at the same pace, and it's unfair to take recess time away if one works more methodically than another. Therefore, any classwork not completed during the school day should be finished at home and returned the following morning. If you see a "Late Paper" message on your child's graded assignment, that means they did not finish at home. A 10-point deduction will be assessed to late work beginning after Labor Day.

If there is ever an emergency in your family that does not allow your child ample time to complete homework, please notify me in the morning and I will wave the penalty and allow additional time to finish.
