A NOTE FROM THE TEACHER

Don't forget to send a freshly filled water bottle every day. If your child wants a snack about 10:00 a.m., it can be brought from home or purchased for 50 cents.

Academically Speaking

As we embark on our academic journey, here are a few ways that you can help your child:

- Complete any homework
- Study spelling words
- Review graded work
- Read library books
- Check the school website for up-to-date grades and info

What We're Learning...

Literacy Night

This was a huge success, and we are now beginning our reading challenge. The Lion of Mars is a fabulous book, so enjoy the time sharing it together as a family.

Dates to remember

- Sept. 2 ~ School Day Pictures
- Sept. 11 ~ Donuts with Dad

Homework

Any classwork not completed during the school day is required to be finished at home and returned the following morning. If you see a "Late Paper" message on your child's graded assignment, that means they did not take it home. An 11% deduction will be assessed beginning after Labor Day.

**If there is ever an emergency in your family that does not allow your child to finish homework as expected, please notify me the next morning. I will waive the penalty and allow additional time to finish.

MULTIPLICATION

We have learned the rules for 0 & 1 and the tricks for 2's. This week we will learn the tricks for 5's.
