What We're Learning...

HAVE A BALL CHALLENGE

Our first 9 week AR challenge is in full swing. Students can earn a ball for an AR test that they complete and score 80% or higher. Our class is currently in the lead! The winning class will earn a class party. The challenge ends at the end of the 9 weeks. Keep reading!

Here is our current read-aloud. We'll conclude with a special escape room activity and movie. There's also another surprise...but it's a secret! 😊

FACTIVATION

This week we will continue our practice on "special sixes" as well as review 0's, 1's, 2's, 5's and 9's.

THE LION OF MARS

I hope you're enjoying "The Lion of Mars" at home. If you don't have a chance to read it with your child, there are recordings of each chapter on the school website under QUICK LINKS.
