

Skillbuilder: Read a Battle Map

Practice

1. Who had ships in this battle? _____
2. Near what body of water is there a line of British soldiers?

3. Where did the American soldiers end up when they retreated?
Circle the name of the place where the American soldiers retreated.
4. Did all of the British soldiers attack by moving in the same direction?
What direction or directions did they travel? _____

Apply

Now you can use your map skills to show another version of this map. Show what might have happened if American soldiers standing on the coast of Long Island met the British ships. Using the same symbols as on this map, draw how the American soldiers and the British soldiers might have moved. Show which side might have retreated.
