

Almanac Map Practice

Use the map to do these activities and answer these questions.

Practice

1. Draw a circle around each major city in both the Union and Confederacy.
2. How many major cities does the map show on the Union side? The Confederate side? _____
3. On which side of the Civil War were most cotton producers located? Most textile mills? _____

Apply

4. Work with a partner. Read about free states and slave states in “Compromises in Congress” in Lesson 3 of Chapter 12.

Look at the map above. Then explain why Missouri was a slave state, Maine was a free state, and Kansas and Nebraska were given popular sovereignty.
