Student Procedures by Topic:

Absent work: It is the students responsibility to ask for and collect any work that was missed due to an absence. Students who are absent, have 1 day for every day they were absent, plus 1 additional day to make up work, anything after those days is considered late. Assignments, deadlines and tests that were announced prior to the students absence will be due upon the students return to school.

Assignment Race: Students will participate in an “assignment race”; The class average of each assignment will be written on the board and the class with the highest average will win a point for that assignment. The class with the most points at the end of each chapter will be rewarded with a piece of candy.

Attendance: Attendance will be taken at the beginning of each hour. Students need to be in their seats when the bell rings; any student not in their seat will be counted tardy.

Behavior Paragraphs: Behavior paragraphs may be issued to students as a means for classroom management; paragraphs are due by the beginning of the hour, the following day. If paragraphs are not complete, a day of detention will be issued until paragraphs are complete and turned in. Each time a student receives paragraphs, they double.

Behavior Vocab: Behavior vocab may be issued to students who did not complete the assigned chapter/lesson vocab. Behavior vocab is due at the beginning of the hour the following day. If vocab is not complete, a day of detention will be issued until vocab is complete and turned in. Each time a student receives behavior vocab it increases by 10.

Candy: Candy will be given as a reward. Students can earn a piece of candy by receiving a 100% on an assignment, answering a hard question during class discussions or when caught being nice/ polite or helping me or another student with something.

Chrome books: Students will have access to chrome books. Chrome books must stay in the classroom and will not be permitted to be taken to other classrooms. Students are responsible for retrieving and returning chrome books back in the correct spot and plugging them in to charge. If a chrome book is damaged, it is the student's responsibility to replace the chrome book.

Class Dismissal: Students will be dismissed from class by the teacher, not the bell. Students should remain seated until dismissed.

Classroom Expectations: Be respectful of others and their property.(Treat others as you want to be treated). Be prepared for class with all necessary tools (paper, pencil, book, homework, etc). Correct and Returns: Students are given the opportunity to correct and return 10 assignments each 9 weeks that they feel they did not do well on. Correct and returned assignments should be placed in the pink tub on the corner of my desk by the due date; assignments turned in after the due date will not be accepted. I will re-grade the assignment, average the two scores and record the new score into the gradebook with the following comment: "Corrected and Returned, Grades Averaged".

Reading: Students will be expected to participate in the reading of each chapter/ lesson. Students are expected to follow along when reading the lessons as a class. Students will be called on at random and should know where the previous student left off.

Red Pens: Students should come to class with a red pen for grading. Students who do not come to class with a red pen will be asked to remove a shoe and leave it while they use one of my pens. When the red pen is returned, they will retrieve their shoe.

Smart Watch: Smart watches will be permitted in class only as a watch to tell time. Students caught interacting with their watch will face the consequences outlined in the student handbook under phones.
