Nickelodeon slime set

The image shows the packaging for the Nickelodeon Super Slime Studio. The top left features the Nickelodeon logo and the word "slime" in large, green, bubbly letters. To the right, it says "Make Your Own!" and "Cra-Z-Art 6+". The central image depicts a young boy in a blue shirt stretching a rainbow-colored slime. Surrounding him is a green plastic "slime studio" base with various compartments. These compartments hold bottles of "Clear Slime Glue", "Slime Activator", and several small pots of colorant labeled "Party", "Unicorn", "Mermaid", and "Crunchy". There are also tubes of glitter and a bowl of "Crunchy" slime. The bottom of the box contains a list of contents and a warning.
