Nickeloden slime studio

The image shows the packaging for the Nickelodeon Slime Studio. The top left features the Nickelodeon logo and the word "Slime" in large, stylized green letters. To the right, it says "Make Your Own!" and "CraZ Art 6+". The central image depicts a young boy in a blue shirt stretching a colorful slime. Surrounding him are various components of the kit: a green slime-making machine with a hand crank, several bottles of glue and activator, containers of colorants, glitter, and beads, and a tray with different colored slimes. Labels like "Rainbow", "Unicorn", "Mermaid", "Glitter", and "Crunchy" are placed near the corresponding items. At the bottom, there is a list of contents and a warning label.
