

Well here we go again! Just like that it is a new year at Sequoyah Schools! For me personally, I cannot believe I am starting my third year here! This has been a great place for me to be a part of and I am very thankful! Let's all make sure we get our kiddos off on the right foot with making good choices, good decisions, and good grades. 1st semester always seems like it flies by with the excitement of school starting back and all the activities that begin as well. Before you know it, semester tests are being taken, half the year is gone, and your 8th grader is one semester away from being in high school!!! Let's have a great first half! GO EAGLES!
